Thank you for your interest in Covenant Christian School. The application process is outlined below for your convenience.

1. Fill out the Student Application for Admission completely. Please note:
 - The birthday cut-off date for our Pre-Kindergarten and Kindergarten classes is August 1;
 - Applicants for our Little Pelicans class must be potty trained by the start of school;
 - Should you be applying for more than one child you should submit the Student Application for Admission for the oldest child and the Sibling Application for Admission for any additional children; and
 - Should you already have a child at Covenant School you may submit the Sibling Application for Admission for subsequent children.
2. Submit the Student Application for Admission/Sibling Application for Admission with a check for \$60.00 per child application fee (non-refundable) to the school office. This application fee must be submitted before your child will be considered for enrollment.
3. Applicants for First through Sixth Grade who have been attending another school must sign the Authorization for Release of Records form. This form must be submitted to the office of the applicant's current school.

When these steps are completed, the school will contact you to make the following appointments:

1. Enrollment Interview: Parent(s) or guardian(s) will meet with two members of the school board.
2. Screening Test: Each applicant for Kindergarten through Sixth Grade will be given a standardized screening test.

Covenant Christian School is a covenantal school and exists to assist Christian parents in the education of their children within the context of a biblical worldview. Our bylaws require at least one parent to be a believer in the Lord Jesus Christ and to give a testimony of that belief. The purpose of the enrollment interview is to give one or both parents the opportunity to give us your Christian testimony. If you have never given your testimony before, you may consider the following suggestions prior to the interview. We understand that everyone's conversion experience will be different.

- You may want to share some general background information about yourself.
- What were the specific circumstances that the Lord used in your conversion?
- What changes took place as a result of your acceptance?
- On what do you depend for your salvation?
- What is the Lord doing now in your life?

Thank you for considering Covenant Christian School. After the enrollment interview you will receive a letter and/or a phone call letting you know the current status of your application.

If you have any questions, please call the school office at 314-787-1036.
