Well-Child Policy Reminder

Many of you are aware that we have had a small number of children home recently with a cough and fever.

This outbreak led me to take time to review our well-child policy contained in our parent handbook. This policy has been written to help us keep a “healthy school environment” especially in light of concern regarding the H1N1 flu virus.

We ask parents to keep their children at home for at least 24 hours after they have a fever over 100 degrees, they start an antibiotic (for example, to combat strep throat), have thrown-up or had diarrhea due to illness.

Please keep this policy in mind as you make decisions regarding whether or not your child should stay home from school.

If you have any questions regarding the policy (or anything else) please feel free to contact Laurabeth or me at the school at 314-787-1036 or at lmedlock@cpcstl.org or jroberts@cpcstl.org.

Thanks and God bless,

Rev. John Roberts
Head of School
